Instructions for First Visit

Please bring all x-rays, this referral slip, pertinent medical information and a list of ALL medications you are currently taking.

Please alert the office if you have a medical condition that may be of concern prior to surgery.

Please bring a photo ID and both your medical and dental insurance information on the day of your appointment.

Patients under eighteen (18) years of age must be accompanied by a parent or legal guardian at the time of the initial consult.

Please give 24 hours notice if you are unable to keep this appointment.

Instructions for General Anesthesia

PLEASE NOTE: In most instances the patient is seen first for consultation and schedules the surgery at a separate appointment. The following only applies if surgery is done at the first appointment:

- Do not take anything to eat or drink 8 hours prior to your surgery: **NO FOOD OR DRINK**, including water.
- You must arrange for someone to drive you to the office, stay, and drive you home after the surgery. **DO NOT DRIVE** for the remainder of the day.
- Any unmarried patient under 18 years of age must be accompanied by a parent or legal guardian at the time of surgery.
